Who should attend

It is a requirement of the Health & Safety law that employers provide a safe and healthy environment to work in. If your assessment of first aid needs highlights the need for qualified first aiders, then this qualification will provide you with suitable, highly trained personnel.

This comprehensive three-day course covers a wide range of first aid emergencies, enabling all participants to deal with emergency situations with confidence in a prompt, safe and effective way. In addition, this course will include any protocol changes that may have arisen since their last training course.

This course will give the participants a qualification to the highest level of First Aid, meeting the statutory requirements of the Health and Safety (First Aid) Regulations 1981.
