

Level 3 Paediatric Emergency First Aid Training

Max No. of operatives: 12 **Duration: 1 Day**

Certification: FAA (NUCO) Certification with 3 year expiry period

Who should attend

This one-day Emergency Paediatric First Aid course has been designed for those who have an interest in child and infant basic life support., it will be of particular interest to anyone who has a responsibility for their welfare whilst in your care. It is ideal for individuals who are responsible for children and infants, who wish to gain a nationally accredited Level 3 Award.

- Teachers and classroom assistants.
- School administration and support staff.
- Nursery workers.
- After-school clubs and activities.
- Sports coaches and clubs.
- Childminders, nannies and au-pairs.
- Parents and carers.
-

If you have a professional interest, i.e. you are a child-minder or school teacher, etc, then this course partly fulfils the requirements of Ofsted and the Early Years Foundation Stage (EYFS). Ofsted and the Early Years Foundation Stage require you to have 12 hours of paediatric first aid training, so the 2-Day Level 3 Award in Paediatric First Aid would be required to fulfil their requirements.

This 6 hour qualification also makes up the first half of the 12-hour course.
